8 University Life

1. Global Mentoring

During the first semester, new students are matched 1:1 or as a group with a senior mentor who can provide support in academics and general life to help them overcome the challenges they may face and adapt to university life.

2. Career & Employment Support

Employment support programs for international students offer training in resume and personal statement writing, along with various special lectures for Korean language learning, visa changes and job search. Through job fairs and company tours, students gain a better understanding of on-site practices and thereby enhance their employability and competitiveness.

3. Cultural Activities

Each semester, Hallym university organizes field trips to help international students explore Chuncheon and other areas of Gangwon province and get a first-hand experience of Korean culture.

4. Korean Language Education

Korean language courses are provided at multiple levels to improve international students' Korean language skills, and a curriculum for advanced Korean proficiency is on offer.

5. Dormitories

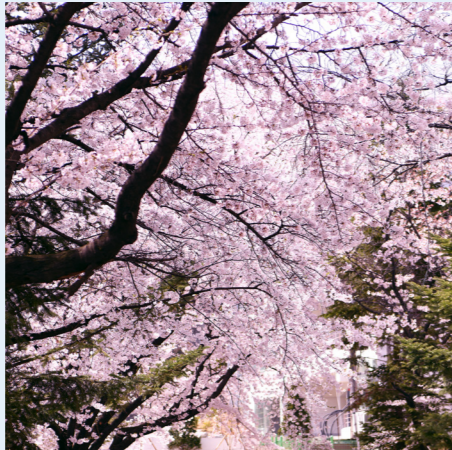

Hallym grants priority selection to international students applying for dormitories with a 100% dorm assignment rate.
